

Autofunctions App Menu

Press  on the [main screen](#) to open the menu.

- **New Show:** Create a new (empty) show.
Note: This will discard all (unsaved) changes!
- **Load Show:** Load a show file that was previously exported from either the zacktrack 3 or the autofunctions app itself.
Note: This will discard all (unsaved) changes!
- **Save Show:** Export the current show to a file that can be imported either by the zacktrack 3 or the autofunctions app itself.
- **Settings:** Change additional application settings.
- **Quit Application:** Close the autofunction application.
